Open Display StandAlone

Introducing StandAlone — a sleek, low-profile stand that secures your high-theft electronics and increases your sales by allowing shoppers to fully experience the merchandise.

KEY FEATURES:

- Ability to power up to 5V
- 10 trigger point for maximum security
- Easy installation
- Available in black and white
- Convenient IR remote control
- Backed by a global service and support network

SUGGESTED APPLICATIONS:

Smartphones
Mobile Phones
GPS Devices
MP3 Players

SAP CODE	DESCRIPTION	DIMENSIONS (L x W x H)	QUANTITY
10111283	StandAlone Anti-Theft display	2.64"W x 2.64"L x 3.39"H (67mmL x 67mmW x 86mmH)	1

NOTE: Please refer to the Accessories section page 13 for the sensors and adhesives.

Open Display

StandAlone Tablet

The Z-Line StandAlone Tablet is designed for versatility and stability to allow a fully functional experience for customers. You can display the solutions on vertical or horizontal positions easily — the no-tool installation allows you to create permanent or temporary displays.

KEY FEATURES:

- Low profile design provides optimal product presentation
- Ability to charge tablet PC and provide charging protection at the same time
- Flexible secondary sensor protection
- Easy installation, maintenance and usage
- Convenient IR remote control
- Backed by a global service and support network

SUGGESTED APPLICATIONS:

Tablets

SAP CODE	DESCRIPTION	DIMENSIONS (L x W x H)	QUANTITY
10112097	StandAlone Anti-Theft Display Tablet	3.94"W x 3.94"L x 1.18-1.69"H (100mmL x 100mmW x (30-43mmH))	1

NOTE: Please refer to the Accessories section page 13 for the sensors and adhesives.

Open Display

Z-Line Watch Stand Charging Set

The StandAlone Watch is designed to showcase a variety of watches. This solution allows the customers to lift the item easily.

KEY FEATURES:

- Encourages customer engagement
- Easy to install
- Provides optimal product presentation
- Compliments Alpha's line of S3 solutions

SUGGESTED APPLICATIONS:

Watches

Possibility to reinforce the security of the StandAlone Watch

SAP CODE	DESCRIPTION	DIMENSIONS (L x W)	QUANTITY
9525641	Z-Line Watch Stand Charging Set, White	4.01"W x 2.12"L (102mmL x 54mmL)	1

NOTE: Please refer to the Accessories section page 13 for the sensors and removal tools.

Open Display

Tablet & Smartphone Charging Stand

The Z-Line Tablet & Smartphone Charging Stand will keep your electronics charged whilst offering a versatile open display. The customer can easily handle the items and the staff don't have to worry about battery life.

KEY FEATURES:

- Contact alarm system function
- Charging line open circuit alarm function
- Infrared unlock function
- Reset password
- Charging function 2000mA
- Low battery backup reminder function
- Special screwdriver

SUGGESTED APPLICATIONS:

Smartphones

SAP CODE	DESCRIPTION	DIMENSIONS (L x W x H)	QUANTITY
9521524	Tablet & Smartphone Charging Stand	50mmL x 50mmW x 45mmH	1

NOTE: Please refer to the Accessories section page 13 for the sensors and adhesives.

Open Display

StandAlone Base with 2 small sensors + rotation

The StandAlone Base with 2 small sensors secures high value products which need a versatile solution protecting a two-pieces product. The Base only needs to be lift on the display to offer customer the easiest way to try the product out.

KEY FEATURES:

- Secondary security line open circuit alarm
- Reset password
- Battery standby time: 2 years
- Sensor secure adhesive

SUGGESTED APPLICATIONS:

Electronic razors
Expensive toothbrushes

SAP CODE	DESCRIPTION	DIMENSIONS (L x W x H)	QUANTITY / BOX
9519608	StandAlone base with 2 small sensors + rotation	85mmL x 50mmW x 21mmH (Line: 1200mm)	1

NOTE: Please refer to the Accessories section page 13 for the sensors and adhesives.

Open Display

StandAlone Base with 1 small sensor

The StandAlone Base with 1 small sensor secures high value products which need a versatile solution protecting a one-piece product. The Base only needs to be lift on the display to offer customer the easiest way to try the product out.

KEY FEATURES:

- Secondary security line open circuit alarm function
- Reset password
- Battery standby time: 2 years
- Sensor secure adhesive

SUGGESTED APPLICATIONS:

Perfumes

Speakers

Small high value items

SAP CODE	DESCRIPTION	DIMENSIONS (L x W x H)	QUANTITY / BOX
